🎉 Congratulations to KETHC's Newest BDLS & ADLS Instructors! 🎉

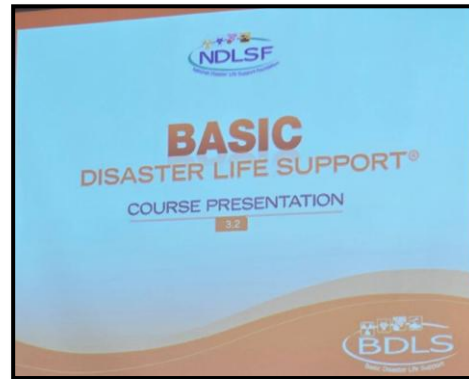

We're proud to announce that our newest instructors have officially been checked off to teach Basic Disaster Life Support (BDLS) and Advanced Disaster Life Support (ADLS) courses! 🎓👏

A huge thank you to everyone who attended our first National Disaster Life Support (NDLS) course hosted by the Knox/East Tennessee Healthcare Coalition (KETHC) — your participation was instrumental in helping our instructors meet their final requirements.

We're also excited to share that KETHC is now an official NDLS Training Center! This is a major step forward in strengthening disaster preparedness and response capabilities across our region. 🙌🇺🇸

Additional classes will be scheduled soon.
