

# Environmental Hygiene Cleaning & Disinfection Training

May 10, 2017 9:00-5:00

Bearden Banquet Hall

Geared towards environmental services/housekeeping personnel, the purpose of this 8-hour course is to provide comprehensive training to empower staff to conduct effective environmental cleaning and disinfection practices. Focused on infection prevention, the training highlights the protection of the workers, patients, and the environment, in accordance with best practices, regulatory requirements and industry guidance/standards.

**Register Now! Class size is limited!**

**Please RSVP by May 3, 2017**

**Email: Wanda Roberts at [etrhc.health@tn.gov](mailto:etrhc.health@tn.gov) or call 865-549-5294**
