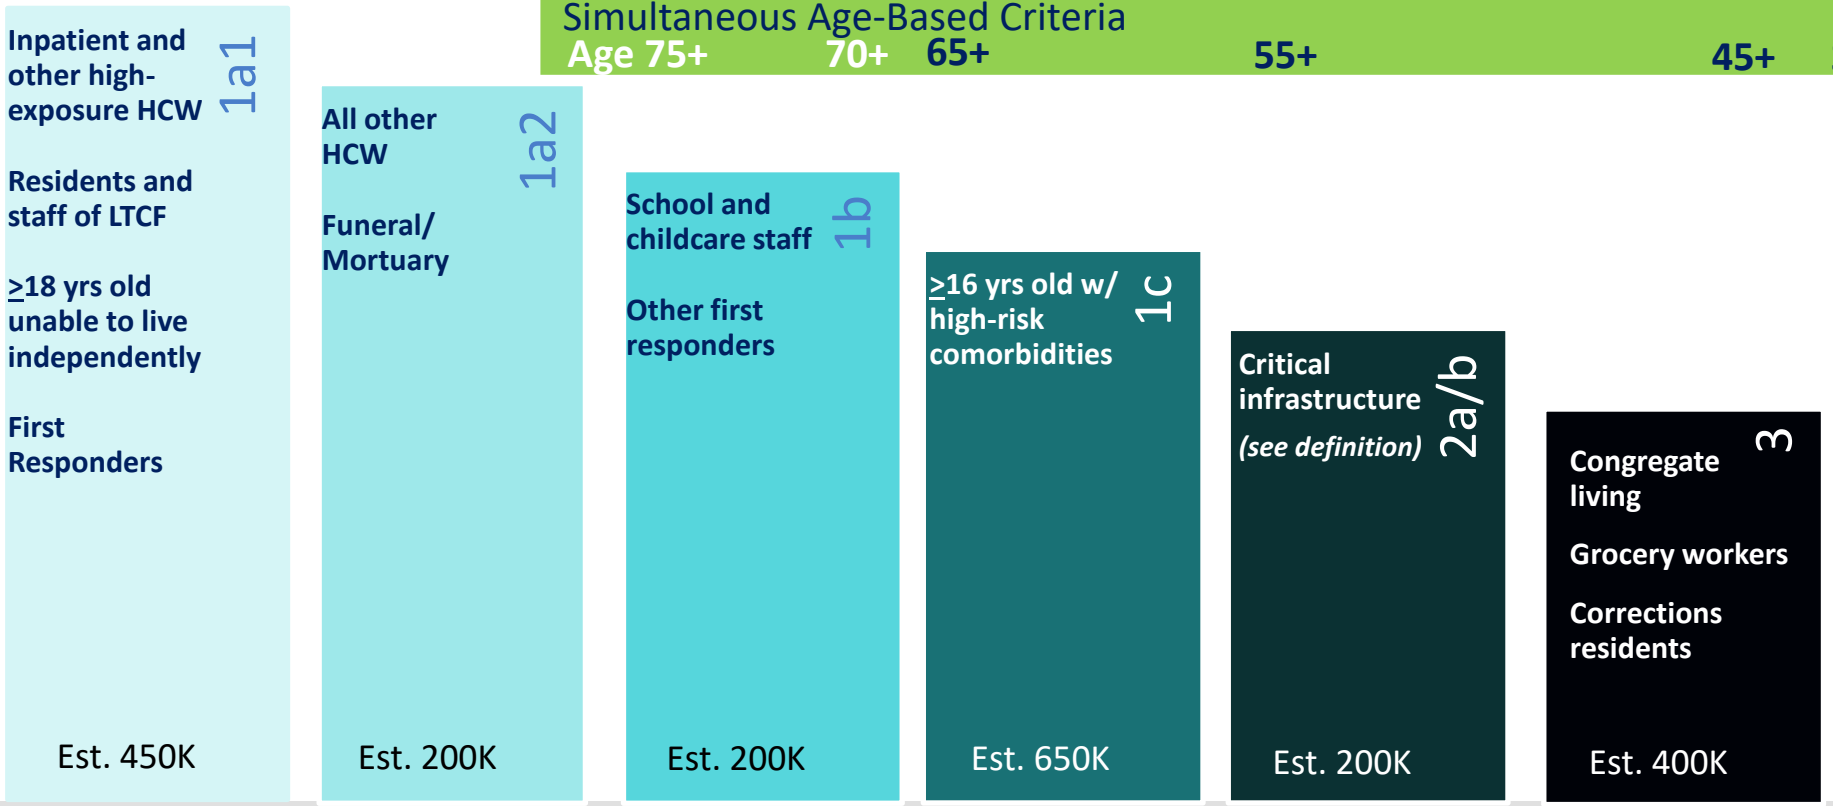
TN

Vaccine Allocation Phases*

Equity is a crosscutting consideration: In each population group, vaccine access should be prioritized for geographic areas identified through CDC's Social Vulnerability Index or another more specific index.

Dec 2020---------- Jan 2021----------Feb----Mar----------Apr----------May----June-----Aug-----Oct----Dec

Simultaneous Age-Based Criteria
Age 75+ 70+ 65+ 55+ 45+ 35+ 25+ 16+



TN Department of Health

*Updated 12.28.2020
